RESPONSE TO RESTRICTION REQUIREMENT

In response to the restriction requirement mailed on January 5, 2007, and in accordance with the provisions under 35 USC §121, the Applicant submits the following election for further prosecution on the merits:

Election:

Applicants hereby elect the Species 1 claims, namely, claims 2-8 and 10-19, drawn to transferring information from a remote computer to a vehicle navigation system. This election is made with traverse. More specifically, division of the claims into additional separate Species 2, 3, 4, and 5 is improper as these four Species all relate to process software for implementing electronic transfer of personal agenda information. The Examiner could readily conduct a single prior art search capable of identifying potentially relevant prior art related to any of these four
